

Social Security Benefits in County \$150,000 Month

YOU MAY BE MISSING SOCIAL SECURITY BENEFITS.—Many persons are unaware that the qualified survivors of a social security card holder who has died are in many cases eligible for benefits. As illustrated here, a young widow and her children may receive monthly payments upon application to the social security office following the death of the family breadwinner. A child's benefits stop when he reaches 18, the mother's benefits continue until the youngest child is 18.

Cut Troop Force At Little Rock

Decision Is Approved in Advance by Ike

WASHINGTON (AP)—The White House said today that President Eisenhower hopes a solution of the Little Rock school integration impasse "can be reached and be reached as soon as possible."

Press Secretary James C. Hagerty said the President approved in advance the decision announced Monday of Army Secretary Wilber M. Brucker to cut in half the force of Army paratroopers on duty at Little Rock's Central High School and to de-federalize most of the Arkansas National Guard.

Hagerty was asked whether the troop reduction was an indication that the federal government was approaching a solution of the Little Rock impasse. Hagerty replied that it "indicates what I've been saying all along — we sincerely hope that a solution can be reached and be reached as soon as possible."

He said the partial troop withdrawal also indicated that the situation around Central High School had quieted measurably.

To Arrange Meeting

Hagerty said that he was "quite sure" that the White House would arrange a meeting between the President and five Republican House members from the South who want to discuss complete troop withdrawal from Little Rock.

Asked when he expected the complete withdrawal of troops from Little Rock, he said, "I don't know."

He indicated that whatever ac-

Kiwanis Fellowship Meeting Tonight

Members of the Harrisburg Kiwanis club and their wives will attend a ladies' night Fellowship meeting of Division 16, to be held tonight at the Lyman hotel in Herrin. The Harrisburg group will attend in a body and will leave from the Masonic temple by bus at 6 p. m. The meeting at Herrin begins at 7 p. m.

District Office Observing 20th Anniversary

Staff of 23 Workers Administer Program For 14-County Area

On the anniversary of its twentieth year in Harrisburg, the District office of the Social Security Administration is reminding area residents that they may lose benefits through failure to acquaint themselves with requirements of the program.

This holds true despite the fact that the District office, which serves 14 southern Illinois counties, each month pays out more than \$1,000,000.00 in benefits to some 25,000 southern Illinois residents under the regular Social Security program, according to E. Bishop Hill, district manager. In Saline county alone, benefits are being paid to more than 3,000 persons at the rate of approximately \$150,000.00 per month.

Considerable additional services are being offered through the Social Security office since July 1 when the staff of 23 began administering the disability benefits program for people over fifty who qualify for these payments. First checks in the disability program went out in August although the office has been accepting disability claims since late last year.

Office Opened 1937

When the District office was opened in Harrisburg in October 1937, it occupied one room in the Skaggs building on the north side of the Public Square and had three staff members. In December 1937, the District office moved into two rooms on the fifth floor of the Harrisburg National Bank building. Today, the staff of 23 Civil Service workers with a workload multiplied many times since 1937 occupies the entire fifth floor of the bank building.

In addition to the District office, Mr. Hill stated that contact stations are maintained on certain days at ten other cities in southern Illinois. These stations are operated for the convenience of persons who are unable to come to the District office at Harrisburg because of disability or lack of transportation.

The Social Security office is not only an important item in the economy of Harrisburg but has established a fine record for integrity and courteous service. The em-

Officials Combat Acts of Vandalism In Carrier Mills

Acts of vandalism continue in Carrier Mills and Mayor Freeman O'Keefe stated today village officials are discussing ways and means of combating the wave of destruction that has hit the community.

Only a few days ago a large plate glass window in an unoccupied business building was ruined when a hole was cut in it, apparently with a regular glass cutter.

Sunday night a 1956 Chevrolet station wagon was scratched with a blunt instrument, the enamel being cut in several places down to the metal.

And about a month ago 37 windows in the I. O. O. F. building were shot out with BB guns.

An all-out effort will be made to catch the vandals and when caught they will be prosecuted as the law allows, O'Keefe declared.

Three Oil Locations on Test

The R-K Petroleum company's Eugene McConnell et al No. 1, NE NE NE, 29-8S-6E, was on pump testing the Aux Vases. It pumped 68 barrels of oil and 30 of water in 18 hours.

C. E. Brehm's Ralph Smith No. 3, SW NE NW, 29-7S-5E (Tate) was on pump testing the Aux Vases.

The Breuer and Curran Oil company's Westbrook No. 1, SE NE SE, 9-8S-7E (Eldorado) had a one hour drill stem test in the Aux Vases, recovering 85 feet of gas and 15 feet of gas cut mud with a bottom hole pressure of 60 pounds.

Scoutmaster Claims Injury by Woman in Quarrel Over Deer

ROCKFORD, Ill. (AP)—Scoutmaster Robert Michaels, 30, Chicago, has charged in a suit that a Princeton, Ill., woman gashed his neck and punctured his shoulder with an arrow in a hunting quarrel over a deer.

Michaels charged Mrs. Wildee Lange, 45, with assault that resulted in permanent disfigurement, medical expense and loss of time at his occupation.

The Chicago scoutmaster alleged that Mrs. Lange falsely accused him Saturday of stealing a deer she claimed she shot.

He said he was on a deer hunt when Mrs. Lange inflicted a five-inch cut on the back of his head and neck and wounded him in the shoulder with an arrow.

Ike Birthday Appeal—Wipe Out Prejudices

WASHINGTON (AP)—President Eisenhower celebrated his 67th birthday anniversary Monday with a plea to "wipe out differences based on prejudice."

The remark indicated the nation's school integration controversy still weighs upon him.

The Chief Executive also took the occasion to say America's "advantages—material and cultural"—must be spread to others on a voluntary basis.

"We must make ourselves available to our fellowmen to help them, if we ourselves are going to develop," he said.

A 500-pound cake and a serenade from a group which included Vice President Richard M. Nixon helped Eisenhower celebrate the milestone.

Standing in the shadow of his towering cake on the south portico of the White House, the beaming president watched Nixon lead a throng of GOP campaign workers up the driveway, singing "Happy Birthday, Mr. President."

"Wouldn't you know," he remarked to Mrs. Eisenhower. "Old Dick is leading them."

Investigate Thefts in County

County officers are investigating thefts that occurred in the county over the week-end.

Six aluminum windows were stolen from a house under construction on the Billman road south of Eldorado. The house is being built for a Mrs. Alvey, officers state.

Between 30 and 35 gallons of gasoline and a crescent wrench were stolen from the Virgil Lovellette farm east of Harrisburg.

A quantity of copper wire was taken from the Grant Riegel farm near Harco.

Funeral Services Wednesday 2 p. m. for Mrs. Evadean Woodruff

The funeral of Mrs. Evadean Woodruff, 50, who died Monday, will be held in the McKinley Avenue Baptist church, where she was a member, at 2 p. m. Wednesday. The Rev. J. D. McCarty, assisted by the Rev. Roy Reynolds, will officiate and burial will be in the Sunset Lawn cemetery.

Don Williams Harrisburg Delegate To Two-County Development Ass'n

Don Williams has been selected as the City of Harrisburg's delegate on the executive committee of the Saline Valley Development association.

Williams, Harrisburg insurance man and former city commissioner, was chosen by a committee representing the civic organizations of Harrisburg and announcement of his acceptance to the post was made today.

The Saline Valley Development association will be comprised of delegates from Saline and Gallatin counties and the association's chief purpose will be to work for the social, civic and economic development in the two-county area.

Each county will be represented by three members from each of the two county boards of supervisors and a delegate from each of the municipalities in the two counties.

Next public meeting will be at 7:30 p. m. Oct. 29 at the Gallatin county court house. This will be an organization meeting.

Top Scientists Report To Ike

President Gets Frank Evaluation On U.S. Research

Group Under Strict Orders Not to Discuss Meeting

WASHINGTON (AP)—A group of America's top scientists today gave President Eisenhower a frank evaluation of basic federal research in a multitude of scientific fields.

Their report was presented against the background of the fact that the Russians have put a satellite into space, but that evidently was by no means the only subject discussed.

The scientists were members of the Science Advisory Committee. They apparently were under strict orders not to discuss their 45-minute conference with the chief executive, who is concerned about Russian scientific progress in the field of guided missiles and satellites.

The committee is headed by Dr. Isador Rabi, professor of physics at Columbia University. It last met with Eisenhower on July 16.

Rabi would admit to little except that the group had met with the President.

"Anything further you want," the eminent physicist said, "you'll have to get it from the White House—this was a privileged discussion."

Former Defense Secretary Charles E. Wilson said Monday he thinks this country has kept pace with Russia in military strength in the past five years. But he said it was a "matter of opinion involving many factors" whether America is stronger than Russia now.

A far different view came from Sen. Stuart Symington (D-Mo.). He declared Russia will be able to bombard the United States with ICBM's within two or three years. He said it is ahead of the United States.

Eisenhower's meeting with his 13-member science advisory committee came against a backdrop of strong new demands from two Democratic senators for a speed up in the U. S. intercontinental ballistic missile program.

At the same time, the United Press learned this country is trying to reassure its friends and allies around the world the Soviet Sputnik doesn't mean a U. S. defeat in the scientific and military races. They are being reminded America still has an atomic Sunday punch ready for any Communist aggression.

Gratton Hill Is Elected President Of New School Board

Gratton Hill, lone representative of the old Eldorado City Schools board of education, was elected president of the new board at a special session Sunday afternoon in Washington school.

Atty. Ralph Choiser was elected vice president and Marshall Cox secretary. Carl N. Snyder was employed as school treasurer.

Hill appointed six board members last week to replace six who had resigned.

HONOR WAR DEAD—Queen Elizabeth II and Prince Philip lay a wreath before the Canadian War Memorial in Ottawa, Canada. (NEA Telephoto)

To Arrive in U. S. Wednesday

Queen Elizabeth Steps On Soil of French Canada During Motorcade

OTTAWA (AP)—Queen Elizabeth put her foot on the soil of old French Canada for the first time during her present tour today when she and Prince Philip went to Hull on the Quebec side of the Ottawa River and signed the city's golden book.

The stop in Hull was the first of several which she made in the course of a two-hour motorcade through the streets of the capital here and the Quebec pulp and paper mill city.

The climax of the tour was the ribbon-snipping ceremony in which her majesty officially opened the new Queensway Expressway, a new by-pass route intended to relieve the major traffic congestion problem of the Canadian capital.

In the ceremonies at the Hull City Hall her majesty and Prince Philip were met at the steps by Mayor Thomas Moncion and taken directly into the council chamber where she signed the city's golden book.

Wednesday, shortly before noon they will depart by plane for Jamestown and Williamsburg, Va., first stops on a six-day visit to the United States. If the reception there even halfway matches the welcome their Canadian realm accorded them, one thing is sure — the royal couple can return to London Oct. 21, tired but happy after a whale of a party.

This capital city of Canada started off its reception with the reserve of a deb at her first dance, but by the time the Queen opened Parliament Monday, the city was on a real jag.

Guns Boom Salutes

Guns boomed salutes off and on all day long; the caissons in Parliament sounded across the city; and the downtown area was jammed.

Begin Surfacing West Lincoln

Spreading the bituminous material on the West Lincoln avenue paving project began today.

Barring rain, the surfacing should be done in about three days, R. R. Brown, motor fuel tax engineer, estimated.

The project, being done by the J. D. Barter Construction Co., consists of paving Lincoln from McKinley west to Dennison. Included in the work was the building of a new bridge over the West Harrisburg drainage ditch, curbing, gutters and storm sewers.

Sesser Boy, 15, Is Critically Injured

ST. LOUIS (AP)—Tommy Rowland, 15-year-old Sesser boy, was reported in critical condition at De Paul Hospital today after being struck by a car at Sesser.

The driver of the car, Curtis Mundell, 32, of Benton, was not held by authorities.

Hospital authorities said the boy, who was riding a bicycle when he was hit Monday night, suffered severe head injuries. He was taken to Christopher, Ill., for X-rays and later transferred to DePaul.

Grace in Appeal

GENEVA, Switzerland (AP)—Princess Grace of Monaco, the former Grace Kelly of Hollywood, has agreed to make a special Christmas broadcast over the United Nations radio to appeal for aid for refugees still in camps, the office of the U. N. High Commissioner for Refugees announced today.

Our Three-Stage Rocket

The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says: Near East Is Key To War Or Peace; Khrushchev And U. S. Have Laid Down The Chips Over Turkey; One Incident In This Oil-Rich Tinderbox Could Spark World War III.

WASHINGTON. — In any "re-appraisal" of American foreign policy, no matter how "agonizing," we have to face the fact that the Near East today is the most explosive area in the world. Anything can happen there. When and if it happens, the flame could reduce the world to a cinder.

A move by the Turkish army on Aleppo, Syria, which almost took place six weeks ago, could be the Sarajevo to spark World War III. Or war could be sparked by a Syrian move to take over Jordan, acting covertly for Moscow. World War III, however, would not be a long, drawn-out affair, fought in trenches and foxholes. It would be over in weeks or days, and there might not be much left except the smoking ruins of civilization.

That's why Khrushchev's blunt warning that "if war breaks out we are near Turkey and you are not" is so important. It's also why the equally blunt warning of the State Department that "despite distances he (Khrushchev) should be under no illusion that the United States, Turkey's friend and ally, takes lightly its obligation under the North Atlantic Treaty."

In other words, the chips are down. The two biggest nations in the world have served notice on each other that one move by the other means war.

COVERT MOVES COULD SPARK WAR

Having just come back from this crucial area, I can report that the chance of a covert move is strong. It might be made by agents presumably acting for Russia. Or it might be made by agents presumably acting for the United States. Right now, 10 Syrians are about to go on trial in Damascus for allegedly conspiring with members of the U. S. embassy against the pro-Russian military regime. I do not believe they did so, but a great many Arabs believe otherwise. If such an agent assassinated the leader of the pro-Russian Syrian regime—and assassination is easy in Arab countries—it might touch the match to the war we want to avoid.

Or if King Hussein of Jordan, friend of the United States, should be assassinated by Syrian or Palestinian agents, it might also supply the match. Hussein's grandfather was killed by such an assassin because he wanted to make peace with Israel, and there are 400,000 Palestinian refugees in Jordan today who hate the king, plus 400,000 more Palestinians who are not refugees but also oppose the king.

If he topples, his shaky kingdom unquestionably would be united to Syria to extend the Russian bloc right down to the Gulf of Aqaba near the Suez Canal and not far from oil-rich Saudi Arabia. It might also mean a Russian-blessed union between pro-Russian Syria and pro-Russian Egypt by absorbing Jordan between them.

Or again the assassination of King Saud might supply the match. Two attempts on his life have already been made this year. He is surrounded by Egyptian

Syrian advisers. His own brother is pro-Egyptian.

WILL WE FIGHT FOR OIL?

Reason these incidents might involve the United States is, first, the "Eisenhower Doctrine," which served notice that intrusion on these areas is tantamount to war. Reason for the doctrine is oil—70 per cent of the world's known resources. With that oil in Russian hands, Moscow eventually would control Western Europe, thereby undoing years of American effort, millions in Marshall Plan aid, and carefully built-up NATO protection from communism.

The United States would probably fight in order to keep Near East oil out of Russian hands. And Russia says, in effect, that it too would fight if Turkey starts any move to prevent that oil from getting into Russian hands.

That was virtually what Khrushchev spelled out in his blunt warning that Turkey "would not last 24 hours."

Turkey is the initial key to war and peace. Sitting astride the Bosphorus, blocking Russian egress from the Black Sea, coveted by the czars for centuries, Turkey has been bolstered by the Truman Doctrine. But "capitulating right over Turkey," Russia has now built up a new satellite ally in Syria, where it has dumped more Czechoslovak arms than the Syrian army could use for 10 years—a potential supply base for Russian volunteers on a drive toward the oil of the Near East.

There was a time, a few years ago, when our warning to Russia would have stopped further intrusion. But today Russia has the ICBM, the earth satellite, and is playing from strength.

That's why Foreign Minister Gromyko laughed to friends in New York when he reported on John Foster Dulles' warning to slow in the Near East. That is also why we need what Mr. Dulles once called an "agonizing reappraisal" of foreign policy.

In the Near East we have the possible alternatives of going back to full reliance on John L. Lewis and his coal miners for the fuel of Europe; a crash program to develop atomic energy for industrial purposes, which would

Pearson Gets Peace Prize

OSLO, Norway (UP) — Former Canadian Foreign Minister Lester B. Pearson today was awarded the Nobel Peace Prize for 1957. As usual, the Norwegian Nobel Committee gave no reason for its choice.

The committee also decided not to give any peace prize for 1956, and the amount of money normally awarded will be returned to the Nobel Peace Prize fund.

Pearson's prize for this year is worth 208,628 Swedish crowns — the equivalent of \$40,330.33. All meetings of the Nobel Peace Prize Committee are secret and the five members—elected by the National Assembly—always refuse to comment on the decision. But political circles here take this year's decision to give the prize to one of the architects of the post-war Atlantic community as a tribute to the ideas which lie behind Western cooperation. These views have been expressed repeatedly by the former Canadian foreign min-

take five to ten years; or a settlement of the French-Algerian dispute in order to tap Algeria's promising oil resources.

But in the long run and in the rest of the world, we face the alternatives of a showdown of force against Russia or a new policy of peace with Russia. These are the problems involved in reappraising our outmoded foreign policy. In future columns I'll try to propose some possible solutions.

Had to Wait

Years ago, a patient had to wait, sometimes for years, until an eye cataract was "ripe" before it could be operated on, according to the Encyclopedia Britannica.

Asthma Formula Prescribed Most By Doctors—Available Now Without Prescription

Stops Attacks in Minutes... Relief Lasts for Hours!

New York, N. Y. (Special) — The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription. Medical tests proved this formula stops asthma attacks in minutes and gives hours of freedom from recurrence of painful asthma spasms. This formula is so effective that it is the physicians' leading asthma prescription — so safe that now it can be sold — without prescription — in tiny tablets called Primatene®.

Primatene opens bronchial tubes, loosens mucus congestion, relieves taut nervous tension. All this without taking painful injections. The secret is — Primatene combines 3 medicines (in full prescription strength) found most effective in combination for asthma distress. Each performs a special purpose. So look forward to sleep at night and freedom from asthma spasms. get Primatene, at any drugstore. Only 98¢ — money-back guarantee. ©1956, Whitehall Pharmaceutical Company

Thirteen is the lucky number of his birthdate for "Uncle Johnie" Travelstead. Several relatives from Harrisburg attended the family reunion at his home in Sikeston, Mo., Sunday, the 13th, on the occasion of his 91st birthday. He is a remarkable man, active, interesting and smiling. He can still do considerable reading without glasses and his daughters, Ethel T. Council and Miss Lillie Travelstead, with whom he lives, report a wonderful spirit in their father.

This year's celebration followed a pattern which has become a tradition. There was a long table extending through the dining room with two birthday cakes. One was baked by his daughter Lillie and the other by his granddaughter, Mrs. Leslie Pearce, Harrisburg. Cured ham and fried chicken were served for a wonderful dinner. There were gifts and "folding money" for the birthday celebrant and numerous cards and telephone calls, all wishing him many more birthdays.

Attending from Harrisburg were: Mr. and Mrs. Paul Hilliard and Mrs. Robert Hilliard. Dock Hilliard, a nephew, and his family could not attend. Others who did attend were Mrs. Velma Gollish, Mrs. Gladys Hilliard, Mr. and Mrs. Priestly Hilliard, Dick, J. D. and David Hilliard, Mr. and Mrs. Merle Dailey, Stephen, Mike, Martha and Perry Dailey and Mr. and Mrs. Leslie Pearce and daughter, Sharon.

The afternoon of the reunion was spent visiting, playing ball and congratulating Mr. Travelstead.

The Daily Register 30c a week by carrier boy.

Fashion Show and Guest Day Mark Woman's Club Meeting

The Harrisburg Woman's club met in the club rooms of the library Monday and Mrs. F. L. Larson, chairman for the day's program, presented an exciting show of fashions from Myrons, with Mrs. John Schorff commenting on the newest of the new styles, modeled by the following: Mrs. Mitchell Gollish, Mrs. George Robertson, Mrs. Pat Sullivan, Mrs. Carl Hauptmann, Mrs. Frank Anderson and Mrs. Bill Beazley.

Hats were important in the showing of the dresses, suits and coats to their best advantage. Perhaps the most exciting, as well as practical, was a three-way velvet, modeled by Mrs. George Robertson in the traditional large bow style, worn far over on one side, making it a profile hat, or all the way back for a face framing style. The straight cut across the back fullness seemed to "do the trick." This was effective with the black and brown plaid daytime dress, a sophisticated black wool crepe dress, and the large Lili Ann black broadcloth coat with dramatic gold threads she modeled.

Another coat with Paris styling was the blue "oval-look" coat, with the waist fullness tapering to a very narrow skirt bottom. Worn with a cloche hat, turban wrapped with shadings of blue satin, modeled by Mrs. Gollish.

Mrs. Carl Hauptmann's tallness was accentuated and dramatized by an oatmeal beige wool tailored dress under a royal pastel mink cape stole, tied with brown satin. Her wide brimmed hat, of matching beaver felt, half matching and deeper colored beige feathers, ringing it completely. This hat was also shown to advantage with

a beige cashmere coat, worn by Mrs. Hauptmann.

Sports clothes had their showing, from slacks and bulky sweaters, through full and straight skirts of tweeds and flannels, to a very smart looking dress of green and gold in wide muted stripes, complemented with a gold belt and a dark green hat. Mrs. Frank Anderson modeled this style.

Party dresses forecast the Christmas parties, soon to be planned. Emerald green silk faille was followed by a full skirted red wool with a low V-neckline, touching the shoulder tips. Mrs. Pat Sullivan wore it to perfection.

Most dramatic in the show, was a dress of gold sequins with narrow shoulder straps, fashioned with a soft panel of chiffon in the back, giving the effect of a flowing sash. Mrs. Beazley was the model for whom it seemed to have been created.

Mrs. Hudson Mugge played a piano accompaniment for the show and added to the pleasure of the guests.

Mrs. W. W. Damron presided at the business meeting, following the fashion show. Mrs. Hugh Walker read the minutes of the last meeting which were approved. Mrs. Rebecca Metcalf gave the treasurer's report and Mrs. Ed Creek read the correspondence for the business of the club.

Mrs. Damron thanked the participants in the program, including Mrs. Ray Durham for her meditation on the responsibility of women in the shaping of our modern world. She gave the club members the opportunity to introduce their guests and she thanked Mrs. B. Webster and Mrs. L. M. Hancock for acting as hostesses for the meeting.

There was a report on the Regional Conference to be held Oct. 24, and Mrs. Stanley Wilson extended the invitation for the County Federation of Women's clubs to be held in Eldorado, Oct. 29. She gave the women assurance of transportation, if they will call her. Dr. Joe Bryant will be the speaker at this meeting and his subject, "Africa, News and Views."

The president adjourned the meeting.

Dr. and Mrs. Guy Callaway, Springfield, Mo., have been visiting Mrs. Abner Field, Brownfield, and friends in the Golconda community. Mrs. J. A. Musgrave was in Golconda Sunday and the Callaways returned to Harrisburg with her to visit with Harrisburg friends before going to Virginia to visit their son. Mr. and Mrs. Ray Trovillion, former Harrisburg residents, were visitors in Golconda over the week end and are now visiting Mrs. Clifford Stricklin in Harrisburg. Their home is in Winter Park, Fla.

Mr. and Mrs. Ralph Perry of Evanston, former residents of Harrisburg, are visiting friends and acquaintances here this week. They are at the home of Mr. and Mrs. Michael Rescheter and will be here until Friday.

Hospital Notes

Admitted: Mrs. Maggie Harris, Galatia. Beulah Sanders, Chicago. Mrs. Mattie Salome, Chicago. Mrs. William Valliant, Chicago.

Asbrock-Hathaway Wedding at Eldorado

Mr. and Mrs. Billy Ray Hathaway (Willard Johnson Photo)

Miss Connie Louise Asbrock, RFD 3, Eldorado, daughter of Mr. and Mrs. George Asbrock, 3045 McClellan street, Detroit, Mich., and Billy Ray Hathaway, son of Mr. and Mrs. Woodrow Hathaway, were married in St. Mary's Catholic church, Eldorado, at 9 o'clock on Sept. 21. Rev. W. E. Hana performed the double-ring ceremony before the altar decorated with baskets of white gladioli and ferns.

The bride was given in marriage by her father.

She wore a ballerina length wedding gown of nylon lace over satin, fashioned with a full skirt of alternating rows of lace and ruffled nylon tulle. Her fitted bodice was complemented with a jacket of lace over satin, having a standing collar and long fitted sleeves, pointed at the hands. Her single strand of pearls were the gift of the bridegroom. She wore an elbow length veil of illusion secured to a halo headpiece of seed pearls, and carried a cascade bouquet of shasta daisies tied with streamers of ribbons ending in lovers knots.

Miss Wilma Ridens, friend of the bride, was her maid of honor and wore a ballerina length dress of yellow net and lace over taffeta. Her headband was made of white lace. She carried a colonial bouquet of white chrysanthemums.

Miss Wanda Jean Hathaway, sister of the bridegroom, and Miss Mary Ruth Wargel, friend of the bride, served as her bridesmaids and wore identical dresses of net and lace over taffeta. Miss Hathaway wore orchid and Miss Wargel, yellow. Their headbands and bouquets were the same as that of the maid of honor.

Gene Asbrock, brother of the bride, acted as best man, and Danny McDonald and Sam Smith, friends of the bridegroom, were his groomsmen.

Leo Asbrock and Clem McDonald, aunts of the bride, were the ushers.

The bride's mother wore a powder blue dress with matching duster and blue accessories. Her corsage was of white gladioli.

The mother of the bridegroom chose for her son's wedding, a winter white suit with black accessories. She wore a corsage of white gladioli.

Sister M. Ignatius was the organist for the wedding and played, "On This Day, O Beautiful Mother," "Mother Dear, O Pray for Me," and "O Queen of Heavenly Majesty, O Mary."

There was a reception in the school hall immediately following the wedding. The three tiered cake, supporting a bride and groom, held the place of honor at the bride's table where the red roses and candlelight enhanced the linen covered table. The cake was served with punch to the guests.

There was a candlelight wedding supper in the school hall in the evening given by the aunts of the bride, Mrs. Ruth Asbrock and Mrs. Alma McDonald.

Following the supper, Mr. and

Attending the Rebekah State Assembly in Springfield this week are: Mrs. Clara Campbell, delegate from the Carrier Mills Comfort Rebekah lodge; Mrs. Gladys Pankey, member of the Memorial committee of the Assembly and Mrs. Thelma O'Neal, past president of District 29.

Harry Boggess, 125 West Homer street, Harrisburg, is a patient in the Veterans hospital at Marion. Mr. Boggess is reported to be improving, but will not be released for several days. He would like to hear from his friends and mail may be addressed to Harry Boggess, Ward 3 B, room 20, Veterans Hospital, Marion.

Mrs. Hathaway left for Hobart, Ind., where Mr. Hathaway is employed in construction work.

The bride was graduated from Eldorado Township high school. Mr. Hathaway was graduated from HTHS, class of 1953.

Mr. and Mrs. Hathaway are at home to their friends in Hobart, Ind.

Mrs. Fannie Owen Hostess For Naomi Class Meeting

The Naomi Sunday school class of the Pankeyville Baptist church met Thursday evening in the home of Mrs. Fannie Owen, for its regular monthly social. Mrs. Ruth Gates, newly elected president, presided and opened the meeting with group singing. Mrs. Blanche Shacklett read John 3 for her devotional scripture. Hattie Moyer, Alta Norman and Gertrude Hayes led in special prayers for the coming revival meetings. The class is buying new lights for the piano and pulpit and Mrs. Hayes and Fern Waddell were appointed to have them at the church for the revival.

Birthday gifts were received by Mrs. Owens and Sunshine gifts were exchanged. Mrs. Ruth Gates gave a humorous reading, "A Bible Mix-up" and Mrs. Waddell conducted Bible quizzes for the recreational period. Mrs. Norman and Mrs. Moyer assisted the hostess with the refreshments. Others attending were: Mrs. Flo Bourland, Mrs. Charles Waddell, Mrs. Oma Myers, Mrs. Nancy Sadler, and Mrs. Fannie Foster, a former member who is now a member of the First Baptist church in Harrisburg.

The November meeting will be held in the home of Mrs. Gertrude Hayes and will be the annual Thanksgiving dinner meeting.

Mr. and Mrs. Darrell Evans, Kankakee, were in Harrisburg last week visiting Mr. and Mrs. John Parish and Mr. and Mrs. Arthur Evans and their families. Darrell Evans is employed by the Triangle Construction company.

Marriage Licenses

Paul Dean Pankey, 22, Inez, Ky., and Hilda Dean Wright, 18, Greenville, Ky.

MR. AND MRS. FRANK CHAMNESS invite all their friends to be present to help celebrate the fiftieth anniversary of their marriage Sunday afternoon, Oct. 20, from 2 to 5 p. m. at their home, 14 East Lincoln street.

Mrs. F. L. Phipps of Memphis, Tenn., the former Anne Davenport of this city, will arrive Thursday to join her family to go to Concord, Tenn., for the Golden Wedding anniversary of their sister and brother-in-law, Mr. and Mrs. S. Bayard Goodge on Oct. 23. They were married in the Davenport homestead by the late Rev. H. P. Fudge.

Mrs. Claude L. Rew, 412 South Main street, Harrisburg, entertained her niece, Mrs. Clyde A. Hogendobler, and son, Charles Lloyd, Saturday. The featured entertainment was attendance at the picture, "The Ten Commandments." The Hogendoblers returned to their home at Villa Ridge Saturday night.

Births

Mr. and Mrs. William Mark, Kansas City, Mo., are parents of a boy born Sept. 29. The baby was named William David and weighed six pounds at birth. The mother of the child is the former Miss Carolyn Herron, daughter of Mr. and Mrs. Waldo Herron, Harrisburg. The paternal grandparents are Mr. and Mrs. Don Mark, Kansas City, Mo.

Mr. and Mrs. Orval Brantley, RFD 2, Harrisburg, are parents of a boy, born at the Harrisburg hospital Monday. The baby has been named Kenneth Keith and weighed eight pounds, eight ounces at birth.

A Good Portrait

takes no holiday. It says nice things about you when you are NOT present to speak for yourself. It never rests or tires, and best of all IT NEVER FAILS. J. R. Metcalf Residential Studio, Harrisburg.

DOUBLE KING-SIZE COMFORT ON A Sealy Posturepedic® Mattress

• 7" LONGER • 7" WIDER • 60" WIDE X 81½" LONG

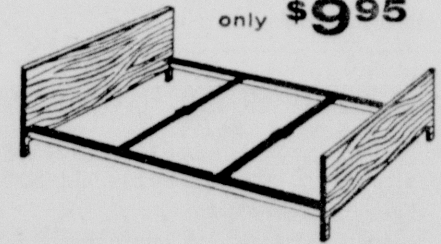

NOW...SLEEP LIKE A "KING AND QUEEN" IN LUXURIOUS COMFORT

Whether you're short or tall, large or small, you can enjoy more all-round comfort in this roomy bed. It's bigger both ways... 60" wide and 81½" long. There's plenty of toe room and space to stretch and turn without disturbing your partner... no risk of sleeping dangerously close to the edge. You'll have more healthful, more relaxing, cooler sleep. And firm support, with famous Sealy Posturepedic quality throughout.

Sealy Posturepedic is also available in
REGULAR SIZE—Twin or Full Size mattress and foundation \$7950 each
KING-SIZE (7" longer) Twin or Full Size mattress and foundation \$8950 each

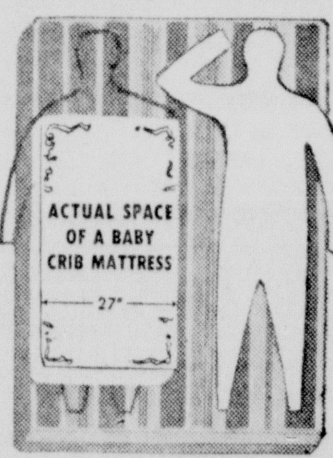

Sealy Posturepedic... for relief from morning backache* and the most comfortable nights sleep you've ever had

IT'S EASY TO ADAPT Your Bed to DOUBLE KING-SIZE with exclusive Sealy bed expander only \$995

Use this sturdy bed expander frame to adapt your present bedroom set to the Sealy Posturepedic Double King-Size mattress and foundation. Or you can choose a new bed from our complete selection. Also, no need to buy special bedding. Regular double-bed-size sheets and blankets will fit the Double King-Size Posturepedic.

On an ordinary double bed you sleep in Less Space than a baby crib mattress

A regular double bed is not as wide as two Baby Mattresses. Why sleep all cramped and crowded? Enjoy the roomy comfort of a Sealy Double King-Size Posturepedic!

RUSSIAN TRIUMPH ON EARTH Satellite Stems from Stress on Education

BY LYLE C. WILSON
United Press Staff Correspondent

WASHINGTON (UP)—All hands including President Eisenhower may be talking about the cause of the Soviet Union's triumph in launching an earth satellite.

The official position adds up just about to this: Shucks, it isn't so much and, anyway, we could have done it too. The President struck close to basic causes in his latest news conference when he mentioned the 1945 Russian capture of German scientists at the Peenemunde missile laboratory in northeastern Prussia. Captured know-how and native Russian scientific scholarship combined to put Sputnik in the sky.

Moreover, the Russians broke through to the atomic and hydrogen bombs which the United States believed were American secrets and years away from the Kremlin. Lax security enabled spies to give the Communists real aid on those.

Over the years the Reds have followed up with a jet-powered air liner well ahead of any U. S. schedule for such. And their claim to have launched an intercontinental ballistic missile generally is accepted now since they hoisted a 184-pound earth satellite into orbit.

All of this adds up to a series of scientific triumphs from which the Soviet Union is squeezing the last bit of prestige, propaganda, and diplomatic pressure. Excited U. S. senators and congressmen are demanding a special session of Congress, investigations, more money for satellite development — and a goat.

Democrats tend to blame the President in a political play looking toward next year's congressional elections. The Army hints that all was lost when the satellite job was turned over in the first place to the Navy. The President plays down the more spectacular speculation about what the significance of Sputnik may be.

He is on the receiving end of advice and complaint by mighty near everyone in a population which was shocked to its heels by the Soviet Union's satellite first. "Suddenly," he told his news conference, "all America seems to have become scientists."

That would be excellent if true, but it is not. For what may all the U. S. satellite and missile programs, if anything, is something that afflicts the American school system on which taxpayers confidently spend billions every year.

Educators report that the American school system is sick in its science departments. The teaching of science in the schools also is especially sick. The fault does not lie with President Eisenhower.

The regular meeting of the Xi Chi chapter of Beta Sigma Phi will be held in the library at 7:30 p. m. Wednesday.

There will be a pie and box supper in the Equality Township high school gymnasium at 7:30 p. m. Friday. Ladies will bring a pie or box and the gentleman will bring along that extra dollar that will assure him of the box of his choice.

Explains Wheat Allotments

Edgar V. Thompson, chairman of the Saline County ASC committee, announced that legislation enacted this year provides that no acreage seeded to wheat for harvest as grain for 1958 and thereafter in excess of the farm allotment will be considered in establishing future state, county and farm allotments.

This means, he said, that the historical acreages for 1958 and subsequent years on farms exceeding their allotment will be the allotment acreage. Under this provision producers will be unable to build up history by overplanting their allotment. Farmers with no allotment or a small allotment that raise wheat under the 15 permitted acres provision or those taking advantage of the 30 acre feed wheat exemption will not receive credit for any acreage in excess of the allotment. Producers planting within their allotment will receive full historical credit as in the past.

Mr. Thompson pointed out that this change will affect future allotment acreages apportioned to the state and county. The fact that acreages in excess of the allotment will not be credited to the county or state will tend to reduce allotments somewhat. The first time this new law will have effect on wheat allotments, he said, would be those for the 1960 crop.

He suggested that any producers having any question on this matter contact the local ASC office in the City Hall, Harrisburg.

Swam Lake
Marilyn Bell, a Canadian high school girl, was first to swim across Lake Ontario. In September of 1954, she covered the 32 mile stretch in 20 hours and 56 seconds.

Thomas Defends Administration Against Critics

SPRINGFIELD (UP) — Charles S. Thomas, Republican National Finance Chairman, said Monday night if the GOP does not win control of Congress next year the country will be headed toward "a labor administration with the leadership of the Hoffas, Becks and Reuther."

Thomas, former Secretary of the Navy, spoke at a \$25 a plate Sangamon County Republican fund raising dinner sponsored by the United Republican Fund of Illinois.

He took note of complaints against the Eisenhower administration by Republicans and said the alternatives to GOP rule are a "Truman-type of administration or a Socialist or Labor government."

A look at the "over-all record" of the Eisenhower administration, Thomas said, shows "it has accomplished almost everything that you would think we would like and be proud of."

Yet, he said, "there are those who take a part of the administration's program that they personally don't like and then loudly condemn the whole program."

Thomas said that "for myself there are certain parts of the program that I don't like but I am going to work hard and constructively to try to correct those parts and make the outstanding record even greater."

Thomas told of complaints against the administration he has received from fellow Republicans who objected to the federal budget, the foreign aid program and the income tax rates.

But Thomas said "it is my firm conviction that the record of the administration has been outstanding. It also is my belief that the Republican party more than ever represents the best medium to promote the American way of life and the free enterprise system."

In urging election of a Republican Congress he said it was "virtually impossible for a president to function effectively with the opposition in the majority."

Thomas also spoke of the Russian satellite launching and said that "if we had wanted to beat the Russians" in the satellite race "we could have fired one a year ago."

But he said that the U. S. satellite, when it is fired, will prove of much greater value to science than the Soviet Sputnik.

Present Bible To Eisenhower

WASHINGTON (UP) — The American Bible Society presented to President Eisenhower today the 500,000,001st copy of the Scriptures distributed by the society since its founding in 1816.

The Rev. Dr. James Z. Netting, society executive who delivered the Bible to Eisenhower at a White House ceremony, said it symbolized "the start of the second half billion."

The volume presented to Eisenhower was a large family Bible bound in red morocco.

IT HAPPENS EVERY DAY AT THE SOCIAL SECURITY OFFICE! — The above photo illustrates a typical every-day scene in the Harrisburg district social security office. Six trained claims examiners are continuously receiving and adjudicating claims for monthly payments. During interviews such as the one shown above claimants for all types of monthly benefits are given a detailed account of their responsibilities while receiving payments.

County Social Security Benefits \$150,000 Month

(Continued From Page One)

ployees of the District office have participated to a considerable extent in civic, religious and fraternal affairs of the community.

Hill Manager 20 Years

Mr. Hill has been the district manager of the local office throughout the past twenty years and is one of the few managers in the country to continue to remain in the office which he helped open. When asked why he had continued to remain in Harrisburg, Mr. Hill stated, "This is my home, this is my wife's home, we are happy here, we like the people here, and we have no wish to leave Harrisburg."

In discussing career service with the Federal government, Mr. Hill stated, "The work is interesting, challenging and rewarding. We cannot expect to become wealthy in public service, but it does provide an unparalleled opportunity to serve the nation and to help make democracy work."

In discussing certain types of problems, Mr. Hill stated that the disability benefits program perhaps is bringing most of the current difficulties because so many applicants are not acquainted with their rights and requirements. Many are unaware that they may gain monthly payments if they are at least fifty years old and fulfill other qualifications. Others do not know that they may preserve many disability benefits which might otherwise be lost by "freezing" their wage earnings record until they reach the age of fifty.

A surprisingly large number fail to get full credit by neglecting to obtain a social security card or, in the case of a newly married woman, failing to have the record changed to show the correct name.

Varied Payments

Monthly payments are available to an insured worker when he retires at any time after reaching sixty-five and his wife also may receive payments even though she never had a social security number.

If an insured worker leaves no widow or children who could ever qualify for benefit payments, monthly benefits may be paid to an aged dependent parent.

If an insured worker leaves a widow and minor children, the widow may be paid benefits for each child below the age of eighteen until the youngest child reaches majority.

At the end of twenty years, Mr. Hill sums it up this way: "If you

Continue Hoffa Trials

NEW YORK — Federal Judge William B. Herlands today heard arguments for the indefinite continuance of the trials of Jimmy Hoffa for perjury and wire tapping.

He reserved decision at least until Oct. 25 when he said he either would name a trial date or rule in favor of the indefinite continuance.

are not well acquainted with the requirements, qualifications, benefits or other details of the program, you should obtain pamphlets provided by the District Office to explain all phases of the program.

"If you don't make application for benefits to which you are entitled, you are cheating yourself."

Order Courts Martial for 16 Marine Guards

TOKYO — The U. S. Navy announced today that all 16 Marine guards at the Sasebo Naval Base in southern Japan would be tried by courts martial on charges of brutality.

Two of the Marines, M. Sgts. Robert J. Barbuti, 23, of Schenectady, N. Y., and Adrian A. McLane, 24, of Philadelphia, will be tried by general courts martial, which handles more serious cases. They were the brig wardens.

The remaining 14 Marines will be tried by lesser special courts martial.

The announcement was made by Vice Adm. Roscoe Good, commander of naval forces in Japan.

A naval spokesman said, "Admiral Good's action followed a thorough and exhaustive investigation and legal review into the complaints made by 25 prisoners at the (Sasebo) naval brig."

"The complaints charged ill-treatment over a period from May 15, 1957, to June 12, 1957."

Former Resident of Pope County Dies

Harry T. Broadway, 78, former resident of Pope county in the Ed-dyville community, died in Phoenix, Ariz., at 1:30 p. m. Sunday, where he had lived the last 25 years. The funeral will be held at the Arizona funeral home, Wednesday at 3:30 p. m. and burial will be in a Phoenix cemetery.

Stratton to Speak At Lake Dedication

EFFINGHAM, Ill. — Gov. Stratton has been scheduled as the main speaker at dedication ceremonies for a new multi-billion-gallon lake at Effingham Nov. 10.

Jergens Divorced

LOS ANGELES — Millionaire cosmetics corporation President Andrew N. Jergens, 75, was divorced Monday by his second wife. Mrs. Jergens said her husband went to Europe without her and "to other places without telling me that he was going." She said traveling with him made her ill and gave her the hives. Mrs. Jergens was awarded custody of their children, Elizabeth, 7, and John, 5.

Flu Forces Shutdown of Schools One School in Midwest Outbreaks

By United Press

Outbreaks of flu attacked the Midwest with renewed vigor today, forcing the shutdown of numerous secondary schools and at least one college.

In Milwaukee, which has been in the throes of a flu epidemic since early this month, school officials reported about 14,000 grade and high school students absent Monday, plus about 150 teachers. Despite the high absenteeism, Milwaukee health officials said the disease may be on the decline in city schools.

In the East, New York City's flu epidemic appeared to be on the wane. The city's Department of Hospitals reported 2,178 persons sought treatment for respiratory infections during the 24-hour period ended at midnight Sunday, a slight increase from the 2,083

reported the previous day.

However, school absenteeism in the city Monday was down to 183, 770 as compared with 280,164 last week.

School absenteeism was on the upgrade in Iowa where several cities were hit by the flu bug.

Flu forced the closing of at least six schools in the northern half of Indiana Monday, and at Morgan town, 365 of 535 pupils were absent.

In Detroit, Health Commissioner Dr. Joseph Molner said "the peak is past," although some Detroit area schools "probably will be hit worse before they get better." Ten schools in Michigan were closed Monday and today, including a rural Houghton Lake school where more than half of the teachers were bedded down with flu.

The University of Minnesota reported about 50 new cases of flu-like illness, and an outbreak at Austin, Minn., resulted in the absence of about one-fifth of the city's high school students.

Dulles, Lloyd Schedule Surprise Talks

WASHINGTON — Secretary of State John Foster Dulles and British Foreign Secretary Selwyn Lloyd scheduled a surprise conference today on the Middle East and the impact of modern missiles on foreign policy.

Announcement of the meeting was made by the State Department. It said Dulles will meet with Lloyd at 2:15 p. m. e. d. t.

The State Department did not detail what Dulles and Lloyd would talk about. But diplomats said they would discuss the Middle East, Russia's success in launching a satellite, disarmament, and the problems posed by Russia's claimed development of an intercontinental ballistic missile.

Both the United States and Britain are concerned over the uneasy situation in the Middle East. The chief worry is Russia's tough, inflammatory talk against Turkey in the wake of the Soviet satellite launching.

Soviet Communist Party boss Nikita Khrushchev charged in a New York Times interview published Oct. 9 that Dulles is inciting Turkey to start a new war by attacking Syria. These charges have been vigorously denied.

National Retarded Children's Fund Drive Nov. 17-28

The ten days before Thanksgiving, November 17 to 28, will again be designated as the national educational and fund raising campaign period to help retarded children, according to Lewis B. Cuyler, vice president of The First National City Bank of New York and Fund Raising chairman of the National Association for Retarded Children.

Jack Benny will serve again as National Honorary chairman. Mr. Cuyler announced, and Al Capp, famous creator of L'il Abner, will serve as Honorary Eastern chairman.

The national drive, which is conducted in local communities throughout the country, will have a national goal of three million dollars, Mr. Cuyler said, as compared with two million dollars which was raised in 1956.

"More than 120,000 children born this year will be mentally retarded," Mr. Cuyler said, "more than those with any other handicap. Five million American families face this problem, and only a few years ago they faced it without hope. But now we know that, with help, most mentally retarded children can grow up to become self-supporting, adjusted citizens."

"Help depends upon adequately supported services in the community," Mr. Cuyler said, "and upon a soundly developed program of research. More than seventy diseases and other conditions are known to cause retardation," he said, "and research into basic causes will some day, we hope, lead to prevention, as we have prevented other scourges."

Jack Benny, Al Capp, Art Linkletter, Dale Evans, Bob Crosby and other television personalities will help in a broad educational and fund raising effort, Mr. Cuyler said.

Indicted for Fatal Beating

MOUNT VERNON, Ill. — A Chicago man who originally was charged with murder was indicted Monday by a Jefferson County grand jury on a manslaughter charge.

The murder charge was dropped against John Ross Moore, 49, formerly of Mount Vernon. His bond was kept at \$25,000.

Moore was indicted in connection with the beating death of Francis Strickland, 46, Mount Vernon, Aug. 24.

Moore turned himself in to authorities, but would neither admit or deny the beating.

National Retail Group Opposes Railway Express Rate Hike Plea

WASHINGTON — The National Retail Dry Goods Assn. has squared off against a 15 per cent rate increase asked by the Railway Express Agency Inc.

An association official, Leonard Mongeon, told an Interstate Commerce Commission hearing Monday the increase is not warranted in view of 10 rate advances allowed Railway Express since 1946.

Railway Express President A. L. Hammell testified his company's deficit is mounting by about \$72,700,000 annually. He added this will be even greater

Herrin, Centralia Dominate South Seven Play; May Be Co-Champs

Centralia and Herrin continue to dominate play in the South Seven and only an upset of major proportions can stop the two schools from closing the season as co-champs of the league.

When Herrin and Centralia collided headon at Herrin Sept. 27 the game was a 13-all tie.

Over the week end the loop's powerhouses rolled over two conference teams by decisive scores.

Harrisburg went to Centralia and the home club won with ease, 48-0. Herrin won as easily from the Benton Rangers, 52-6.

The other three teams in the league—Marion, Mt. Vernon and West Frankfort—went outside the conference and failed to pick up a victory, although West Frankfort did come off with a tie.

Johnston City spoiled Marion's homecoming with a 32-13 rout, Fairfield beat Mt. Vernon 13-0 and West Frankfort and Murphysboro tied 0-0.

Space Big Rally
The Johnston City—at Marion game was close most of the way, but JC staged a big rally with only 4:18 left to play, scoring two TDs and two PATS to make the score lopsided.

Marion's Jim Wall scored midway through the opening quarter on a 1-yard plunge after Shotton, Pluck and Hickey advanced the ball 27 yards in five tries.

Goodman, J. quarterback, knotted the score at 6-6 with 6:23 remaining to be played in the second quarter. The scoring run was for 15 yards.

Johnston City scored again in the second period, moving 65 yards in seven plays. The big gainer was a Goodman-to-McNeal pass for 46 yards. Goodman again carried over on a 1-yard plunge.

Early in the third quarter Goodman scored again to give JC an 18-6 advantage. Marion cut the margin to 18-13 early in the fourth

frame, with Pluck scoring and Hickey kicking the PAT.

Then came the JC rally. With 4:18 to go Johnston City started a march deep in its own territory. The scoring play came on a 42-yard off tackle sprint by David McNeal. With only 21 seconds to play Jerry Ingram, JC halfback, intercepted a pass and ran 15 yards for a TD. Goad converted each time to run the score to 32-13.

Fifth Win For Fairfield
The Fairfield Mules, packing their biggest kick in years, shoved Mt. Vernon around without too much difficulty and won 13-0. It was the fifth consecutive win for the North Egypt conference leaders.

Mt. Vernon, without the service of Pete Boussein and Glen Fleming, backfield aces, just couldn't get an offensive started. For the game the Rams made only three first downs and gained a meager 41 yards from scrimmage.

Fairfield raced for 222 yards from scrimmage and 16 first downs.

After a scoreless first half, Fairfield moved out in front on a 60-yard march after taking the second half kickoff to their 40. Curry scored the TD and also carried over for the PAT, putting the Mules ahead 7-0. Blackburn scored again for Fairfield in the fourth period, his one-yard plunge climaxing another 60-yard advance.

The best showing by a South Seven team against non-conference opposition was West Frankfort's 0-0 tie with powerful Murphysboro.

Murphysboro, unbeaten this season, made a serious threat in the closing minutes, grabbing a fumble and carrying to the WF 8-yard line. Four power plays netted but seven yards and WF took the ball just a yard from the end zone.

On other occasion Murphysboro rolled to within 4 yards of a score and WF's most serious threat ended 19 yards away from pay dirt.

Murphysboro gained 156 yards from scrimmage to 93 by West Frankfort and WF trailed in first downs, 6-7.

Board to Decide Greenberg Future With the Indians

CLEVELAND — General Manager Hank Greenberg, whose status with the Cleveland Indians is considered precarious, will learn within a few days whether he will keep or lose his job.

Greenberg's future with the Indians will be decided at a board of directors' meeting that probably will be held later this week.

Board Chairman William R. Daley said the meeting is being called for "a general discussion about what will be done or can be done to improve the welfare of the team, and while I don't want to pinpoint it as a Greenberg meeting, I am sure his status will be discussed."

Cleveland's board of directors is composed of 13 men, including Greenberg, who is reported to control about 20 per cent of the club's stock.

The Cleveland News quoted unidentified directors as saying they will vote against renewal of Greenberg's contract if the matter comes up.

The executive committee of the board met Monday, the News said, and Daley was quoted as saying "We talked about moving the club only because it had been mentioned in the papers. Not one of us was for moving the club."

Man O'War Is Enshrined
SARATOGA SPRINGS, N. Y. — Man O'War, regarded by most experts as the greatest thoroughbred who ever lived, today was enshrined in the National Museum of Racing along with nine other champions of the 1910-1930 era.

Winner of 20 of his 21 races "Big Red" was the unanimous choice of a national committee of sportswriters for racing's shrine along with Equipoise and Exterminator, two of the greatest weight carriers of all time.

Others selected were Gallant Fox, Twenty Grand, Blue Larkspur, Regret, Grey Lag, Sarazen and Sir Barton. Gallant Fox was the 1930 Triple Crown champion while Regret gained fame as the only filly to win the Kentucky Derby.

Bull Pups Lose at Centralia, 55-0
The Harrisburg Bull Pups last night suffered a 55 to 0 defeat from the Centralia frosh-soph football team at Taylor Field.

Centralia scored two touchdowns in the first quarter, three in the second and three in the third, not scoring in the fourth.

It was the fourth straight win for Centralia, which has blanked all its opposition and is averaging better than 50 points per game.

Looking At Sports

By BILL MELTON

An unidentified young man made the longest run of the night as SIU and Eastern played a football game at Southern Saturday night.

Following SIU's fourth TD in the final quarter Bill Norwood successfully kicked for the PAT, the ball sailing high over the cross-bar and bouncing on the grass about halfway between the goal posts and the cinder track.

Some young fellow, standing in the area, grabbed the bouncing ball and started for the gate, a 100 yards or so away. He made it.

After a short hunt another new ball was produced and the game went on.

Bob Laffoon of Eldorado, only Saline county player on the SIU roster, saw considerable action Saturday night at a tackle spot.

Laffoon went into the game at the start of the second quarter with the first line reserves and played until the end of the half. He re-entered the game early in the fourth quarter and played until about two minutes remained, when the third team entered the fray.

He is listed on the roster as 6-2 and weighing 204 pounds.

A glance at the roster gives promise of a winning future at SIU. The 44-man squad lists only three seniors. There are 16 freshmen, 15 sophomores and 10 juniors. Only one senior, Capt. Marion Rushing, an end from Pinckneyville, is a regular starter.

Eldorado's basketball prospects, already rather dim, received a jolt last week when it was announced that the John Davis family had moved from Eldorado to Galatia.

A part of the John Davis family is Thornton Davis, a 6-plus junior and fine all-around athlete, with particular interest in basketball.

As a sophomore at Eldorado Davis saw considerable varsity action in basketball after playing end on the fresh-soph football team.

This year he was a first-line reserve end and was being counted on for lots of basketball.

However his brother, Millard Davis, is basketball coach at Galatia this season and Thornton wanted the opportunity to play basketball under the coaching of his brother.

The family moved to Galatia last week and Thornton will be eligible to play one calendar month after the move. Galatia's cage schedule gets underway Nov. 12, at Equality.

If the Eldorado Eagles are able to make the highly regarded West Frankfort Red Birds their sixth victim Friday night someone will have to get busy with hammer and saw and build a bigger band wagon. Football fans have been climbing on the Eagle band wagon

Michigan State Tops Ratings

NEW YORK — The United Press college football ratings (with first-place votes and won-lost records in parentheses):

Team	Points
1. Michigan State (18) (3-0)	321
2. Oklahoma (12) (3-0)	308
3. Minnesota (2) (3-0)	251
4. Texas A&M (4-0)	221
5. Iowa (1) (3-0)	156
6. Duke (1) (4-0)	138
7. Oregon State (4-0)	135
8. Notre Dame (3-0)	99
9. Arkansas (1) (4-0)	77
10. Auburn (3-0)	74

Second 10 teams—11, Mississippi, 24; 12, Wisconsin, 21; 13, Pittsburgh, 17; 14 (tie), Rice and North Carolina State, 13 each; 16, Army, 11; 17 (tie) Ohio State and Navy, 8 each; 19 (tie), UCLA and Texas Christian, 4 each.

Others — Michigan, North Carolina and Florida, 3 each; Oregon, Penn State, Georgia Tech, Washington State and Texas, 2 each; Dartmouth, Arizona (Tempe) St., and Louisiana St., 1 each.

in drives the past two weeks. The high-scoring Eagles are gaining friends and followers over the state as metropolitan newspapers and news wire services are joining local area newspapers in singing the praises of the Al Adams-coached crew.

West Frankfort is considered by many as the biggest hurdle remaining in the Eagles' path to football glory.

© Britannica Junior Encyclopedia

All babies begin to smile at the same age: toward the end of the first month of their lives. They smile at this time even though they are blind. If they are born prematurely, babies begin to smile not four weeks after the day they were born, but four weeks after the day they were expected to be born.

Fight Results

By United Press
NEW YORK — Gene Armstrong, 153 3-4, Elizabeth, N. J., stopped Eddie Thompson, 156 3-4, New York (7).

PROVIDENCE, R. I. — Rudy Sawyer, 151, New York, outpointed Rudolph Bent, 152 1-2, British Honduras, (10).

SYDNEY, Australia — Clive Stewart, 161 1-4, Australia, stopped Milo Savage, 161 1-2, Salt Lake City, Utah (12).

JAYCEES PLAYERS OF WEEK — Darrell Biggs (No. 59) chosen best defensive player, and Bill Yates (48), best offensive player in the Harrisburg-Centralia football game last week. The Harrisburg Junior Chamber of Commerce will entertain the two players of the week at their Tuesday night meetings following the Friday night games, the selections for the honors to be made by Coaches Lawrence Caluffetti and Chester Caddas. The Jaycees decided upon this method of spurring enthusiasm at their meeting last week.

THE CANVAS DAGGER

by HELEN REILLY

THE STORY: One by one the people Sarah Casement believes are suspects in the murder—if it was murder—of Grant Melville, are turning up at Cape Cod. The latest to arrive is Crystabel Dolwin, a mysterious woman who, like Sarah, applied for the job of writing Melville's biography. Then Sarah discovers her friend Tom Gillespie talking to a woman he calls Lisa.

XII
SARAH managed to get out of the house and away from it somehow. She wasn't immediately conscious of anything except a sort of aching empty wonder of how simple she had been, how naively childish and romantic. She didn't blame Tom Gillespie particularly. A few kisses and caresses—and she had jumped to the conclusion that he felt the same way because she loved him.

She had two alternatives. One was to say nothing and withdraw, as though last night on the Tasks porch was one of those things that happened at parties and you laughed off the next day. The other was to come out in the open and be frank, tell Tom Gillespie what she had seen and heard up at Grant Melville's cottage in the hills. Start with a clean slate. She decided on frankness.

It wasn't until after five that afternoon that the opportunity presented itself, or rather that she created one.

The Satterlees wanted them all for cocktails. And it was at the Satterlees', out on the lawn at the edge of the water, to which Sarah led the way after detaching Tom Gillespie from a charmer in green, that she confronted him—or started to—and didn't get any further, because that moment the discovery was made and the uproar began.

The Satterlee studio, a long gray-green building formerly a barn, stood close to the pond. Out in the middle of the pond, opposite the studio and some hundred yards

away, two boys were fishing from a rowboat. One of them got what he thought was a bite from a big fish. He tugged hard, his line freed itself, and he went down into the pond head over heels. When he broke the surface and clambered into the boat he was gasping and white-faced. Clinging to the boat and looking shoreward, he started to scream.

Everybody in the studio rushed outside. A narrow, rickety wooden pier ran 20 to 30 feet out into the pond. A couple of the men got into a canoe and paddled out to the boys in the rowboat.

There was a dead man in the pond.

At first nobody would believe it, then Bob Brown dived down. It was true. The thing in the mud of the deep channel was not a peeled log or a lump of old iron, it was a body. The police came, two of the town's three officers, and half of the volunteer fire department. They got the body up. It was brought in and laid on the floor of the Satterlee garage. The medical examiner for the county arrived. The dead man's face was unrecognizable; water or obstacles in the channel—the current was fairly strong—had done their work.

There was no identification on him, nothing in his pockets. He was a man of medium height with gray-brown hair, neither young nor old; he could have been anywhere from 30 to 50. No one in the crowd that gathered, people from the village and the people at Satterlees', recognized the man or had ever seen him before.

Then there were guesses as to his identity. Red note in North Cornwall: there had been trouble at the radar station in September—the spy motive was trotted out by an earnest woman with glasses, ridden determinedly. The man in the pond was a spy who had repented and was going to spill the beans.

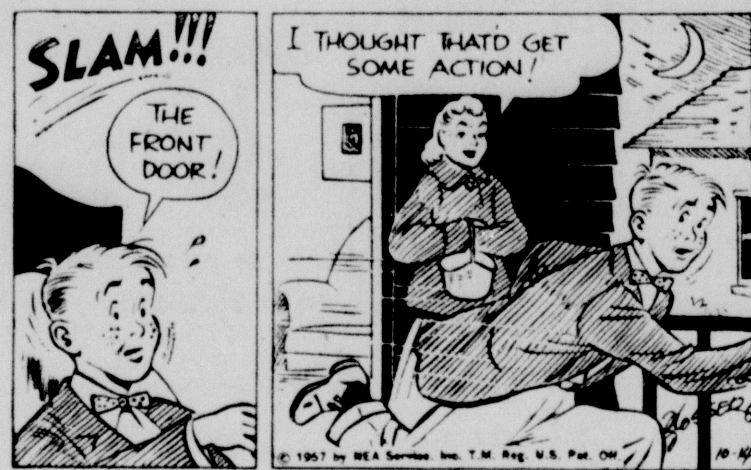

Sarah listened apathetically. Her

A "medicine show" . . . at your door

"Indian chief nostrums" are out of style. But nowadays you hear some remarkable claims about "vitamin preparations" being sold by remarkably unprofessional sources. We'd like to remind you of a fact or two pertaining to vitamins or, for that matter, any medicines. Fact one: Your physician is the one who's professionally qualified to prescribe for your health. Fact two: Your pharmacist is the one who's professionally qualified to fill prescriptions. Always rely on your "health team" in matters of health. It's the only safe thing to do.
